**Big yet delicate, Fruit Forward;
Full bodied, with wild blueberry,
black cherry & licorice aromas; Bold,
ripe and slightly oaky, with nicely integrated tannins.**

"A wholesome and delicious wine that would be right at home alongside your favorite comfort foods. If there is such a thing as *comfort wine* this is it. Line Shack delivers a Syrah that is hearty and rich, but not at all overbearing. It floats in the mouth and its soft tannic structure give the wine a wonderful mouthfeel, while its lush aromatics and flavors provide a luxuriant drinking experience."
